

FLORIDA DEPARTMENT OF JUVENILE JUSTICE

Rick Scott, Governor

Wansley Walters, Secretary

June 23, 2014

Dear County Representative:

Your county's billing represents the amounts due for pre-dispositional detention costs for the 2014-15 fiscal year, beginning July 1, 2014. This billing is based on the June 2013 ruling by the First District Courts of Appeal.

The 2014-15 billing is based on the annualized actual detention costs for the prior year and legislatively approved salary adjustments divided by the estimated total utilization days, both pre and post to arrive at an estimated cost per day.

Your county's cost share is calculated by multiplying the estimated cost per day times your county's pre-dispositional days divided by twelve to come up with the 2014-15 monthly billable amount for your county.

Your July 2014 invoice is included with this correspondence and reflects the new monthly amount for your county. Invoice amounts are due and payable on the first of each month for that month's service.

If you have any questions or concerns regarding your 2014-15 billing please contact Libby Grimes at 850-717-2351 or by e-mail at libby.grimes@djj.state.fl.us.

Sincerely,

A handwritten signature in black ink, reading "Fred Schuknecht". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
