<p>It is the intent of the Department's Office of Staff Development and Training that everyone who begins the Master PAR Instructor program must complete the following requirements: (a) be PAR certified, (b) have a minimum of (2) years of experience as a PAR instructor with a minimum of 320 hours of instruction in PAR (160 of those hours must be initial certification training), (c) successfully complete the PAR Train-the-Trainer course, and (d) successfully complete the 32-hour Master PAR instructor course as outlined in FDJJ 1520. Additionally, a letter of recommendation from your supervisor is required to be submitted with the application.</p>			
<p>Please explain how participation in the Master PAR Instructor program will benefit your professional development, your unit/facility, division or agency's organizational goals.</p>			

**The signatures below indicate the request for this employee to participate in the Master PAR Instructor program. We understand that successful completion of the above requirements must be met to become a Master PAR Instructor. We further understand that the final decision to become a Master PAR Instructor will be decided by the Office of Staff Development & Training.**
